---

## Professional Summary

---

I am an experienced teacher and accomplished musician with additional training in web development. After limiting myself to part-time work for several years in order to raise my children at home, I am looking to expand my career. Responsible, highly educated, and versatile, I am eager to branch out into new arenas, further my skills, and leverage my abilities in interesting and challenging ways.

## Education

---

### Certificate in Full-Stack Web Development

Northwestern University Coding Boot Camp | December 2023

### Doctor of Musical Arts | University of Nebraska-Lincoln | May 2012

Doctoral document: [Performing Editions of Handel Cantatas - DigitalCommons](#)
